AUSTRALIAN NATIONAL CHORAL ASSOCIATION INC. VALE Harley Mead

I was deeply saddened to hear last Thursday of the sudden passing of Harley Mead, our ANCA National Council Vice-President and Queensland Chapter President. I know that this will be a shock to ANCA members and the wider choral community in Australia. Harley will always be a much loved and highly respected choral leader, clinician, arranger, composer and teacher. He will be greatly missed.

On behalf of all ANCA members I would like to extend our deepest sympathies to his children, and his partner. A beautiful tribute has been posted on the [Toowoomba Grammar School website](#) if you wish to view it.

We will be honouring Harley soon on our website with an extensive tribute.
