

Moreton Bay College

Breadth of mind. Depth of heart.

Recently, the College received the very sad news of the sudden and unexpected passing of Mr Harley Mead, MBC Director of Music from 2005 to 2008.

During his time at the College, Harley developed a strong Music team and significantly enhanced the College's Music Performance Program. He was also responsible for a considerable strengthening of the quality and take-up of Music courses at MBC and the management of the completion of the Music Centre.

Harley was most recently working at Toowoomba Grammar School and Principal Peter Hauser has written a moving tribute to Harley which is available on their website at

MBC staff and students will remember Harley's infectious sense of fun. He threw himself into musical performances, and could often be seen strolling across the campus in some rather colourful numbers, as evidenced in our photographic record, which I hope you will enjoy viewing as we remember this vibrant and talented man.

Our thoughts and prayers are with Harley's children, family and friends.
